Warranty ABUS products are designed, manufactured and tested in accordance with applicable regulations with great care. The warranty exclusively covers faults that are caused by material or manufacturing defects. If a material or manufacturing defect can be proven, the product will be repaired or replaced at the discretion of the warrantor. In such cases, the warranty ends with the termination of the original warranty period. Any further claims are expressly excluded.

ABUS assumes no liability for defects or damage that has been caused by external influences (e.g. transport, external forces), improper use, normal wear and tear or non-compliance with this operating and installation instructions document. If a warranty claim is asserted, the product must be returned with the original receipt with date of purchase and a brief written description of the fault.

Subject to technical alterations. No liability for mistakes and printing errors.
