

## New Key Programming Software compatible with MG\* ADS2333 - Code D756920AD

December 2023

Advanced Diagnostics is pleased to announce the release of new software, with full pincode reading coverage, to program keys for a range of MG\* models even in an all keys lost situation.

### What does the software do?

The ADS2333 software programs both bladed and proximity keys for various MG\* vehicles without need of a working key. The procedure programs the remote and the transponder at the same time.

### UNIQUE Full pincode reading coverage

The software reads the pincode from the vehicle via Smart Pro for ALL variants of the model applications listed.

### What else is needed?

Smart Pro
