# SilcaPoint.

The area reserved for High Quality Key Cutting Service

## Design

Functionality above all, and ergonomics to make your work more rational, faster and more profitable. The concept is of fittings that go together to make up a work station and storage unit, functional, but also attractive to the eye.

## Composability

Silca Point gives you infinite possibilities to create linear or corner arrangements. You can start in a small way and then think big as time goes by.

## A Silca Idea, made in Silca

Your image is our image. You will be even more professional, recognizable and distinctive. Silca Point will make you a point of reference for quality key cutting services.

## Generous and Rigorous

Silca developed an easy-to-assemble system. Instructions are simple and only a few tools are needed: assembly is quick and simple.

## Guarantee

Silca Point carries a two year guarantee on all its parts.

## Customizable

Create your personalized Silca Point according to your requirements. You can create a tailor-made key duplication center choosing from different colors, finishes and components.

### STANDARD FINISHES

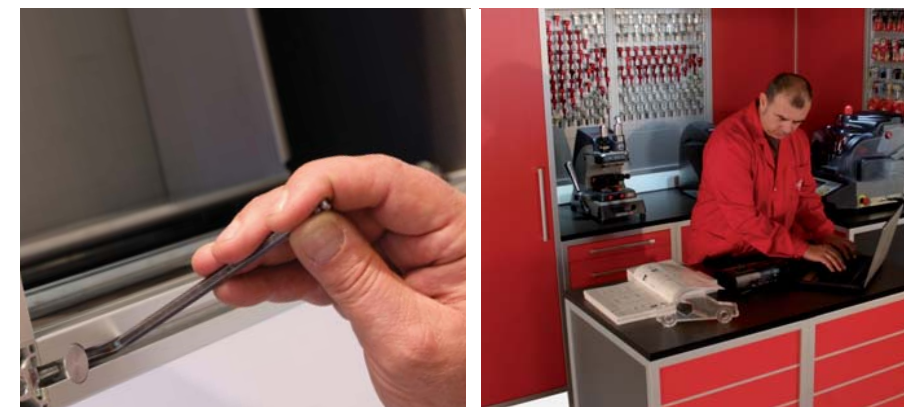

### ADDITIONAL FINISHES AVAILABLE ON REQUEST\*

\* contact your Area Manager for additional costs and delivery times of non-standard finishes

## Logical

Functional, but fun: Silca Point has a clever and modular structure, with a colorful and friendly soul.

## Ecological

The packaging is completely recyclable, there are no staples and the adhesive tape is made of paper. Silca's contribution to protecting the environment.
